RE: Declaration of Intent on Integrity in Management

The Cabinet Resolution on 23 January B.E.2561 requires government agencies to participate in integrity and transparency assessment as a guidance and instrument to prevent and eradicate corruptions as well as promote integrity assessment and transparency in government sectors according to National Anti-Corruption Commission's Policy (NACC) and National Anti-Corruption Strategy Phase 3's plan (B.E.2560-B.E.2564).

Satun Province is an organization operates under good governance principles and emphasizes on preventing and eradicating corruption and unethical conducts under "Transparency Interior" principle. As the Governor of Satun Province, I propose the Declaration of Intent on Integrity in Management to promote ethical behavior, transparency, accountability, and good governance which include rule of law, ethical conduct, transparency, participation, responsiveness, and efficiency in order to provide prompt and effective service according to citizens' needs, embed civil servants with 4 ethical values including self-efficiency, discipline, integrity, and voluntary attitude while upholding strong morality, righteousness, and public interest.
